**Re: Notification of Resumption of Full Power Operations
KILV(FM), Castana, Iowa (FIN: 87226)**

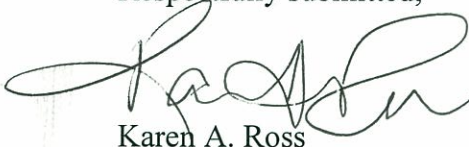

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM radio station KILV, Castana, Iowa, this letter is to notify the Commission that KILV resumed full power operations on January 29, 2010.

On January 11, 2010, EMF notified the Commission that, on January 2, 2010, KILV began operating at approximately 20% of its authorized power due to a damaged station transmitter. Since that time, the transmitter tube was replaced, and on January 29, 2010, the station resumed full power operation according to the parameters authorized in its license.

Should you have any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Karen A. Ross
